Rotadorm Edition care-home

The Rotadorm Care in a new design

Max. **patient weight** 135 kg

Safe **working load** 175 kg

In 3 lengths: **200, 210 and 220 cm**

Direction of rotation possible on both sides

Height adjustment range 40 – 80 cm

With the Rotadorm bed series, the positions of the individual elements of the lying surface can be individually adjusted and programmed to the patient's needs.

Our proven care bed, with stand-up function, has been completely redesigned especially for the care-home sector. The elegant combination of contemporary wood finish and attractive dark grey framework complemented by an optional fabric cover in various colours and patterns, offers you a stylish addition to the functionality of our tried-and-tested stand-up bed. We also offer an option of tailored sheets and pillow cases in a wide range of colours to add a splash of colour and comfort to the mattress supplied with the bed.

special beds

Please note that due to technical limitations, the colours of the bed sheets cannot be displayed exactly in the swatches shown here. In addition, the use of different display technologies and your individual display settings can lead to distortions in the colour representation. The names of the colours serve an additional definition of the actual colour.
