Belladorm Comfort / Pro

The nursing bed for the cost-conscious

Max. **patient weight** 170 kg	Safe **working load** 210 kg	Available in **2 widths 80 or 90 cm**	**Height adjustment range** 20 – 60 cm or 40 – 80 cm

The Belladorm Pro is supplied with wooden panelling for the head and foot area to cover the lifting motors.

The functional stand-up aid was specially developed for the Belladorm series.

At ISKOmed, the **Belladorm series** stands above all for high stability and easy access for patient lifting hoists and stand aids. With the lifting system integrated at the head and foot end, there are no obstacles under the bed to interfere when lifting patients in and out. The care bed is registered as an aid with the health and care insurance companies in Germany.
